

RESOLUTION 96-08

OCCUPATIONAL TAX AMNESTY

For the benefit of those individuals who did not realize that in 1986 Madison County Fiscal Court passed a one cent (\$0.01) occupational tax and a one cent (\$0.01) net profit tax, Madison County Fiscal Court will grant amnesty on all interest and penalties that have occurred since 1986.

Madison County Fiscal Court also agrees to a time table which allows these individuals until December 31, 1996, to file the correct forms with the Finance Director. The Madison County Fiscal Court also gives these individuals until June 30, 1998, to pay all back taxes without penalty or interest.

This resolution so recorded in the minutes this 30 day of July 1996.
