

RESOLUTION # 19-03
ORDER OF AFFILIATION
MADISON COUNTY, KENTUCKY

The purpose of this order is to outline the agreement between the Madison Fiscal Court, the Madison County Jail and the Madison County Sheriff's Office in regards to a Home Incarceration Program.

The Madison County Fiscal Court agrees to provide funding to the Madison County Jail and the Madison County Sheriff's Office for personnel to assist with the implementation and running of the Home Incarceration Program. Additionally, the Madison County Fiscal Court will provide funding for the expenses and cost related to the Home Incarceration Program, including but not limited to the actual cost for the ankle monitors and drug tests.

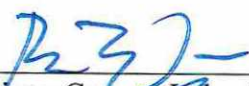

The purpose of the Home Incarceration Program is to provide an alternative sentencing option in the criminal justice system that would reduce the number of individuals/inmates held in the Madison County Jail.

The Madison County Fiscal Court will provide funding not to exceed \$60,000 to the Madison County Jail for personnel to manage and monitor the Home Incarceration Program. This amount includes salary and benefits.

Further, the Madison County Fiscal Court will provide funding not to exceed \$50,000 to the Madison County Sheriff's Office for personnel to assist with the service of papers, arrests and assistance with monitoring of those ordered to the Home Incarceration Program. This amount includes salary and benefits. The Madison County Fiscal Court will provide funding for a cruiser not to exceed \$32,000.

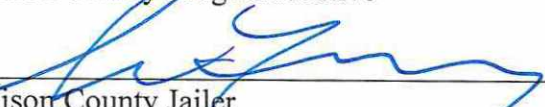

The Home Incarceration Program will provide program information to the Madison County Fiscal Court upon request.

Further, funding for said Home Incarceration Program is a budget expense allotted to each office and is up for review by the Madison County Fiscal Court at the beginning of each fiscal year. Funding must be voted upon by the Madison Fiscal Court each year for renewal.
