COMMONWEALTH OF KENTUCKY
TRANSPORTATION CABINET
DEPARTMENT OF HIGHWAYS
AND
MADISON COUNTY**

THIS AGREEMENT, entered into by and between the Commonwealth of Kentucky, Transportation Cabinet, Department of Highways, hereinafter referred to as the “**Department**,” and Madison County, 135 West Irvine Street, Richmond, KY 40475, hereinafter referred to as the Local Public Agency (“**LPA**”).

WITNESSETH:

WHEREAS, the parties hereto desire to complete slide repairs on Carvers Ferry Road (CR 1332) in Madison County, which shall hereinafter be referred to as the “**Project**,”

WHEREAS, the **LPA** desires to be the lead agency and perform this **Project** to enhance the safety and reliability of roadway connections for the commuting public;

WHEREAS, the **LPA** shall refer to the applicable state requirements listed in the Project Development Guide for Local Public Agencies and any future revisions for assistance in complying with this Agreement;

WHEREAS, the **LPA** has asked the **Department** for funding assistance for costs incurred during this **Project**;

WHEREAS, the **Department** agrees this is a worthwhile **Project** and is willing to reimburse the **LPA** up to \$55,473 in state contingency funding (FD39) for the completion of this **Project**; and

WHEREAS, any cost in excess of the reimbursement funding (\$55,473) for this **Project** will be the responsibility of the **LPA**.

NOW, THEREFORE, in consideration of these premises and the mutual covenants contained herein, the parties hereby agree as follows:

1. The **Department** agrees to reimburse the **LPA** up to \$55,473 for completion of work by the **LPA**, or consultants, contractors, or subcontractors hired by the **LPA**, under the obligations of this Agreement for completing slide repairs on Carvers Ferry Road (CR 1332) from Milepoint 0.200 extending westerly for approximately 0.017 mile.

This **Project** is designed to enhance the reliability of the highway network and safety for motorists in the area providing safe connections. Any ineligible costs or costs in excess of \$55,473 are the responsibility of the **LPA**. The **LPA** further agrees that they will require, in perpetuity, the placement of a culvert or road tile, for any new entrance constructed, that effects the drainage area, surrounding any of the roads listed in this agreement. The manner as to the implementation of this requirement, shall be at the discretion of the **LPA**.

2. The **Department** has authorized up to \$55,473 in state contingency funding (FD39) for all eligible expenses for this **Project**. This funding shall be made available for reimbursement to the **LPA** for all eligible expenses to the **Project**. The **LPA** shall be responsible for all eligible costs above the \$55,473 as well as any costs deemed ineligible for reimbursement from this **Project**. Any additional funding obligated for the completion of this **Project** shall be evidenced in writing by both parties with a Supplemental Agreement.
3. This Agreement is contingent upon the continued availability of appropriated funding. If the funding appropriated for the **Project** becomes unavailable for any reason including: the Kentucky General Assembly's failure to appropriate the funding, by operation of law or as the result of a reduction in funding, further reimbursement of **Project** expenditures may be denied, the **Project** may be cancelled, the timeline extended or the scope amended by the **Department** either in whole or in part without penalty. Denial of further reimbursement, **Project** cancellation, extension or amendment because of an interruption in the appropriated funding is not a default or breach of this

Agreement by the **Department** nor may such denial, cancellation, extension or amendment give rise to any claim against the **Department**.

4. The effective date of this Agreement is the date of signature by the Secretary of the Transportation Cabinet. The Term of Eligible Reimbursement under this Agreement shall be three (3) years from the date of its execution unless extended or amended by written Agreement in accordance with the provisions of KRS 45A. Any and all funding obligated for any phase of this **Project** shall be available to reimburse the **LPA** for eligible work activities completed and costs incurred prior to expiration.
5. The **LPA** shall follow state specifications for each necessary phase of this **Project**. The **LPA** shall adhere to all state regulations, including KRS 45A, KRS 176, KRS 177, and all terms of this Agreement for activities related to this **Project** as lead agency. The **LPA** will obtain any required permits, licenses or easements required to initiate, perform, and complete work and provide documentation to the **Department's** District 7 Office in Lexington. In addition, the **LPA** is responsible to meet all other requirements and adhere to all regulations necessary to qualify for the receipt of these state funds. Should the **Project** require any design services, the **LPA** agrees to use only licensed consultants who are pre-qualified to do work for the **Department** or to use a licensed Professional Engineer registered in the Commonwealth of Kentucky that demonstrates sufficient experience and knowledge in the type of work and receives the approval of the **Department's** District 7 Chief District Engineer in Lexington. The **LPA** shall be responsible for all **Project** design activities, which may be completed either by the **LPA's** staff or a consultant that is to be selected based on qualifications. All design work to be contracted must comply with all legal advertisement and selection requirements including, but not limited to, the Model Procurement Code provisions of KRS 45A and KRS 424. The **LPA** shall submit and obtain concurrences to the **Department's** District 7 Chief District Engineer in Lexington final design plans, specifications, and a total

estimate prior to any construction. When applicable, the **LPA** must obtain any necessary permits or easements to allow for work to be accomplished on this **Project** and adhere to the Uniform Relocation Assistance (URA) and Real Property Acquisitions Policies Act.

7. Should the **Project** require the acquisition of any interest in real property by the **LPA**, the **LPA** shall ensure that all real property acquisition, relocation assistance, and property management are completed in a fair, equitable and approved manner consistent with all state laws and regulations governing the acquisition of real property for public use using highway funding. In all real property acquisitions, concurrence must be obtained through the **Department's** Division of Right of Way and Utilities and shall be subject to review and approval by the **Department**.
8. The **LPA** must obtain encroachment permits to allow for work to be accomplished on state owned right-of-way from the **Department's** District 7 Office in Lexington. The **LPA** acknowledges that the **Department** will require the placement of a restrictive easement approved by and in favor of the **Department** in the chain of title of any real property acquired or improved pursuant to the **Project**. If the owner of any real property acquired or improved pursuant to the **Project** is not the **Department** or the **LPA**, the owner shall sign and be made a party to this Agreement and the owner hereby acknowledges, covenants and consents to the placement of a restrictive easement for perpetual maintenance of the property acquired or improved pursuant to the **Project** in the chain of title in favor of the **Department** prior to final reimbursement by the **Department**.
9. The **LPA** shall either adopt in writing the **Department's** written Policies and Procedures for Right of Way Acquisition and Relocation Assistance or present its own written Policies and Procedures for approval by the **Department's** Division of Right of Way and Utilities. The **LPA** shall conduct all appraisals and appraisal reviews using personnel meeting the **Department's** minimum qualifications and listed on the **Department's** pre-qualified appraiser and reviewer list. If the **LPA** chooses to use an acquisition consultant on all or any portion of the **Project**, the selection of the consultant shall be in accordance with the **Department's** Division of Right of Way Guidance Manual. All appraisals must be reviewed and approved by the **Department's** Central Office review appraisers, failure to do so will result in the **Project** being ineligible for funding

reimbursement. The **LPA** shall provide property management in accordance with approved procedures and be responsible for the abatement of any asbestos containing materials and removal of contaminated soils pursuant to applicable state laws and regulations. The **LPA** shall provide the **Department** necessary assurance that all real property has been acquired and all displaced individuals, businesses, non-profit organizations and farms have been offered relocation assistance according to applicable state laws and regulations. The **LPA** shall provide the **Department** necessary documentation for review and approval at various stages of the acquisition process, as described in the **Department's** Right of Way Guidance Manual.

Utility relocations shall be designed by the utility company and shown on the **Project's** survey and general plan sheets. The impacted utility company, with its regular construction or maintenance personnel, and/or with an approved contractor or subcontractor, will furnish all engineering, administration, labor, and materials to make and complete all necessary adjustments of its facilities to accommodate the **Project**. Correspondence pertaining to utility or railroad coordination must be provided to both contracted parties. If a conflict of interest arises between the obligated party and a utility company, the unobligated party shall intercede to provide the utility coordination. The completed relocation shall be inspected to document the proper installation of the facilities. Upon full execution of the utility relocation for the **Project**, three (3) sets of as-built plans for each utility company that completes facility relocation on the project prior to the construction letting, a utility impact note defining the utilities identified in the **Project**, relocations that have been performed, incomplete relocations, and completion schedules for the incomplete work must be provided.

The contractor shall maintain certification of authority to conduct business in the Commonwealth of Kentucky during the term of this contract. Such registration is obtained from the Secretary of State, who will also provide the certification thereof. The **LPA** must receive **Department** approval for all change orders and shall have approval of the appropriate governing authority, but shall not increase the funding obligated to the **LPA** as a result of this Agreement.

The **LPA** warrants that no person, elected official, selling agency or other organization has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee. No member, officer, or employee of the **Department** or **LPA** shall collude or lobby on behalf of this **Project** without penalty, including but not limited to suspension or debarment.
20. To the extent permitted by law, the **LPA** shall indemnify and hold harmless the **Department** and all of its officers, agents, and employees from all suits, actions, or claims of any character arising from any injuries, payments or damages received or claimed by any person, persons, or property resulting from implementation of any phase of the **Project** or occurring on or near the **Project** site.
21. Either party may cancel the contract at any time for cause or may cancel without cause on 30 days written notice.
 - a. The **Department** reserves the right to cancel all reimbursements under this Agreement at any time deemed to be in the best interest of the **Department** by giving thirty (30) days written notice of such cancellation to the **LPA**. If reimbursement under this Agreement is canceled under this section by reason other than violation of this Agreement or any applicable law by the **LPA**, its agents, employees and contractors, the **Department** shall reimburse the **LPA** according to the terms hereof for all expenses incurred under this Agreement to the date of such cancellation of reimbursement.
 - b. The **LPA** may seek to cancel its obligations under this Agreement at any time deemed to be in the best interest of the **LPA** by giving thirty (30) days written notice of such request to the **Department**. If the **Department** agrees to allow the **LPA** to cancel the Project or cancel its obligations under this Agreement, the **LPA** shall reimburse the **Department** for all funding reimbursements made under this Agreement.
 - c. Any dispute concerning a question of fact in connection with the work not disposed of by Agreement between the **LPA** and the **Department** shall be referred to the Secretary of the

Transportation Cabinet of the Commonwealth of Kentucky, or his duly authorized representative, whose decision shall be final. Any proposed change or extension to this Agreement shall be at the mutual consent of the **LPA** and the **Department** and be evidenced in writing.

22. The Kentucky General Assembly may allow for a reduction in a contract worker hours in conjunction with a budget balancing measure for some professional and non-professional service contracts. 23. The **Department** certifies that it is in compliance with the provisions of KRS 45A.695. "Access to contractor's books, documents, papers, records, or other evidence directly pertinent to the contract." The **LPA** shall certify that all contractors agree to be in continuous compliance with the provisions of those statutes which apply to the contractor's operations. Failure to reveal a final determination or failure to comply with the above statutes for the duration of the contract, shall be grounds for the **LPA's** cancellation of the contract and the contractor's disqualification from eligibility for future state contracts for a period of two (2) years.

25. It is understood and agreed by these parties that if any part of this contract is held by the courts to be illegal or in conflict with any law of the Commonwealth of Kentucky, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the contract did not contain the particular part, term, or provision held to be invalid.
