However in no case shall BluMine Health, LLC be responsible for the CE's "Breach Notification" legal compliance responsibilities, that may result from a "Breach" related to the failure on the part of the CE solely, (and not involving BluMine Health, LLC), to follow all relevant HIPAA Regulations involving "Unsecured PHI," as those legal mandates have been specified in the HIPAA Regulations.

Both parties to this agreement understand and agree that BluMine Health, LLC IS NOT responsible for any HIPAA compliance activities that are the responsibility of the CE specified in the HIPAA Regulations.
