2020-2021 Bid Award Review and Recommendations

Fuel Bid

A total of one bid was received from Riley Oil Company. It is our suggestion to award the bid to Riley Oil Company as they were the only vendor that bid and for their previous years of excellent customer service and equipment support.

- Last year's price for Gasoline was \$2.2995 per gallon/\$2.048 terminal price. This year's price - \$1.4605 per gallon/\$1.1305 terminal price.
- Last year's price for on road Diesel was \$2.496 per gallon/\$2.2875 terminal price. This year's price - \$1.337 per gallon/\$1.037 terminal price.
- Last year's price for Off Road Diesel was \$2.49 per gallon/ \$2.2975 terminal price. This year's price - \$1.116 per gallon/\$1.047 terminal price.

Asphalt Bid

A total of one bid was received from The Allen Company, Inc. It is our suggestion to award the bid to The Allen Company, Inc., as they are the only vendor that bid and for their previous years of excellent customer service.

- There was no increase from last year's price for picked up base of \$62.25 per ton.
- There was no increase from last year's price for picked up surface of \$65.25 per ton.
- There was no increase from last year's price for laid base was \$82.00 per ton.
- There was no increase from last year's price for laid surface of \$84.75 per ton.

Rock Bid

A total of two bids were received from The Allen Company, Inc. and Rock & Dirt, LLC. It is our suggestion to award the bid to The Allen Company, Inc.. While Rock & Dirt, LLC had lower prices per ton picked up at the Quarry, it is not cost effective to drive to Mt. Vernon to pick up rock. The Allen Company, LLC's delivered to lot price was lower than Rock & Dirt, LLC.

- All rock sizes increased by .45 cents per ton picked up and delivered.

Concrete

A total of one bid was received from Concrete Materials. It is our suggestion to award the bid to Concrete Materials as they were the only vendor that bid and for their previous years of excellent service.

- Last year's 3500 PSI price was \$103.00 per CY. This year's price for 3500 PSI is \$112.00 per CY.
- Last year's 4500 PSI price was \$107.00 per CY. This year's price for 4500 PSI is \$114.00 per CY.

Bulk Oil Products

A total of one bid was received from Apollo Oil. It is our suggestion to award the bid to Apollo Oil as they are the only vendor that bid and for their previous years of excellent service.

Most oil products increased by an average of .67 cents, this is the average of products purchased, with 5 products decreasing (please see bid chart for specifics).

Salt Bid

A total of 5 bids were received from Morton Salt, Inc., Compass Minerals America, Inc., Cargill, Inc., Detroit Salt Company, LLC and IBG Magic Of Kentuckiana, LLC. It is our suggestion to award the bid to Detroit Salt Company, LLC not only as they were the lowest bid at \$92.16 per ton, but also for previous years of excellent customer service.

Culvert Bid

A total of five bids were received from KY Supply, Inc., Foster Supply, Inc., Core & Main, Robinson & Turley, Inc. and Interstate Construction Products. KY Supply, Inc and Core & Main did not meet the bid specifications as they did not include delivery in their prices (delivery would be additional). Robinson & Turley did not provide prices for all items on the bid form. It is our suggestion to award the bid to Interstate Construction Products, as they had the lowest bid of and met all the bid specifications.

As there is a numerous amount of sizes involved in this bid, please refer to the bid sheets for specifics.
