RE: **COVID-19 Pandemic – Remote Working**
Request for Waiver of Ink/Wet Signature Requirement on Sealed Bids

Dear Customer,

The current circumstances resulting from the COVID-19 pandemic requires our staff to work remotely. Bid documents are by necessity having to be transmitted digitally among the staff for authorized signatures. This may result in our proposal & bid documents not having the required 'ink' or 'wet' signatures. We request that any such requirements for ink/wet signatures be temporarily waived during this unprecedented time and our proposal be appropriately considered for evaluation.

In support, we can provide a sealed corporate resolution authenticating signed bid authority and authenticity upon request. Several of our Public clients in the lower 48 already satisfactorily use this method.

Thank you for understanding and the opportunity to be of competitive service to your Agency.

Regards,
